VAN MOLL FEST 2022

YES!!!! After being absent for two years VAN MOLL FEST is BACK! For the sixth edition. Again, two days of the best national and international brewers. With different beers on Saturday and Sunday. It's time to enjoy tasty beers, music and great company. Cause boy, we missed you!

Have fun!

But first.....

SOME PRACTICAL THINGS

No alcohol is served to anyone under the age of 18. When in doubt, visitors may be asked to identify themselves.

Alcohol is *only* served in your personal Van Moll Fest 2022 tasting glass (15cl)....be careful with it.

Breweries and food stands accept both whole (2.50 euros) and half (1.25 euros) coins.

Drinks will no longer be tapped after 20:45. The festival ends at 21:00. After that, we will clean up the area as soon as possible, so that we can have a drink with you at our brewpub :)

Finally, in the restaurant of the Evoluon you can buy fresh drinks, wine, spirits and food.... And Casper, the Bierbrigadier is at our festival with the tastiest ciders, meads and natural wines.

Cheers & enjoy!
